Mastering Media Planning: Where Art & Science Meet

The 2026 AMASA textbook by leading SA media practitioners (valued at R800)

WHAT YOU'LL STUDY

01 Marketing Management
Consumer behaviour, market segmentation, analysing the marketing environment, and developing integrated marketing strategies

NQF LEVEL 5 · 10 CREDITS

02 Marketing Communication
IMC planning, advertising strategy, media management, media selection, buying and reporting, and personal selling

NQF LEVEL 6 · 10 CREDITS

- **Industry Masterclasses** — specialist sessions on media channels, digital planning, and campaign implementation, led by AMASA textbook contributors and leading SA media practitioners

Each module is separately accredited. Hybrid delivery: primarily online with select in-person sessions.

WHAT YOU'LL GAIN

✓ **Competency certificate** at NQF Levels 5 & 6 (20 credits)

✓ **Practical media skills** with real industry application

✓ **Industry exposure** through AMASA's professional network

✓ **Expert masterclasses** by leading practitioners

✓ **Peer networking** across the media industry

✓ **Hybrid delivery** designed for working professionals

WHO SHOULD ATTEND

Strategists, planners, buyers, account managers, brand marketers — anyone who wants to understand and master the media and marketing ecosystem at any level.
